

Here's what a few people
had to say about their first
Dog-Wash experience

Luke J. of Cornwall brought Milo, his Australian Labradoodle, in last week for a wash.

"I found your new pet wash to be efficient, easy to use and better than getting soaking wet and dealing with a mess in the bathroom. Milo is also happier here than in the bathroom at home. I liked the aprons and the flea shampoo and de-skunk options! Agway thought of everything and it was fun."

p.s. Luke's mom said she enjoyed the experience as a nice activity to do with her son.

Judy E. of Cornwall came in with Tessie, a thick-furred medium Border Collie.

"I just love it! It's convenient, the price is right and everything I needed was right there. I'll make this Tessie's regular trip to the 'beauty parlor!'"
